

**Notice and Agenda of Call:
Cross Cutting Issues Technical Work Group, Call #2**

The Climate Action Plan Advisory Group's Cross Cutting Issues Technical Work Group (TWG) will hold its next teleconference on **Friday, May 5, 2006 from 9:00 – 10:30 a.m.** This teleconference is open to the public and members of the public may listen to it at the offices of DENR's Division of Air Quality, 2728 Capital Blvd., Raleigh NC (for room number, inquire at the Customer Service desk). For a map of this location see: <http://daq.state.nc.us/about/ParkerLincoln0405.pdf>. (Please note that the building formerly had a "Parker Lincoln" sign in front but now is owned by another company and now has a "2728 Capital Boulevard" sign.)

The agenda for the meeting is as follows:

- Call to order and roll call
- Review and approval of prior call summary
- Review and discussion of catalog of potential state actions
- Discussion of next steps toward identification of priority policy options
- Opportunity for public input
- Proposed date/time and agenda items for next meeting
- Announcements
